

Luc De Schepper seminar in FINLAND 10 to 13 June 2010

Dear colleagues,

Dr Luc will be coming over to Helsinki again next June with full of energy and tons of new experiences from his recent practice years. Please, be welcomed to join us on his inspiring and informative seminar titled: "The Delusional Personality: Delusions of grandeur"

The themes and subjects covered over the four days are:

1. The Delusional Persona: Definition and Causality

- Topic One: Different forms of delusions: del, of grandeur, del, of the immature ego, love and delusions, delusions and hormonal changes, delusions of persecution
- Topic Two: Search for soul mate: Platina: extensive portrait based on the provings in the everyday practice setting.
DD with Nat-m
- Topic Three: Search for fame: Sulphur. DD with Lachesis
- Topic Four: Search for social position: Cuprum met
- Topic Five: Search for support: Staphysagria

2. Cases and management from the clinic

- A case taken on video: see how to discover the simillimum, step by step, looking for the primitive delusion and its compensations
- Management questions and other incidences in the daily practice: regarding potency, redosing, true cure

3. TCM: The Fire Element

As you may know, Dr Luc has been successfully working on number of autistic cases over the past few years of his practice - he'll be more than happy to share with us some of his experiences and the wonders of homeopathy over the course of this seminar.

The seminar will be held at the Markkinointi Instituutti facilities (Töölöntullinkatu 6) in Helsinki on June 10th - 13th, 2010. Seminar hours: 10.00 am - 18.00 pm

Seminar fee: 490€, due in April-May, 2010 (separate invoice sent by email to those who have signed in). Registration & further information: jaana@vitalvision.fi, tel. +358-40-743 4718
